Notice to the holders of all Frederick County Class A licenses with a Sunday Permit

As you may know, there was a bill introduced in the 2009 session of the General Assembly to alter the hours of the licensees who have a Class A license with a Sunday Permit. This would have allowed alcohol sales to begin at 11:00 am instead of 12:00 noon.

While the bill did pass the House of Representatives and received a favorable report from the Senate, the bill was not voted on by the Senate before the end of the session.

Therefore, the hours of operation on Sunday for those Class A licensees with a Sunday Permit have not changed and remain 12:00 noon until 12:00 midnight.

If you have any questions, please contact the office at 301-600-2984.
